

# Endothelial Mean Expression Clustering

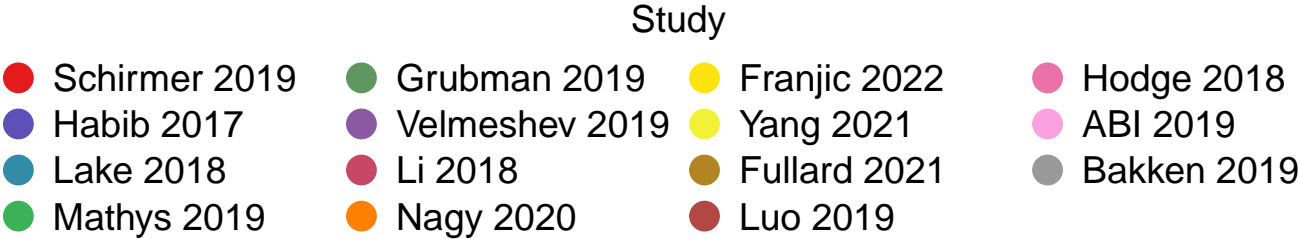

17 endothelial cell types found in 25 datasets from 15 studies  
8,722 protein coding genes

Endothelial Mean Expression Clustering

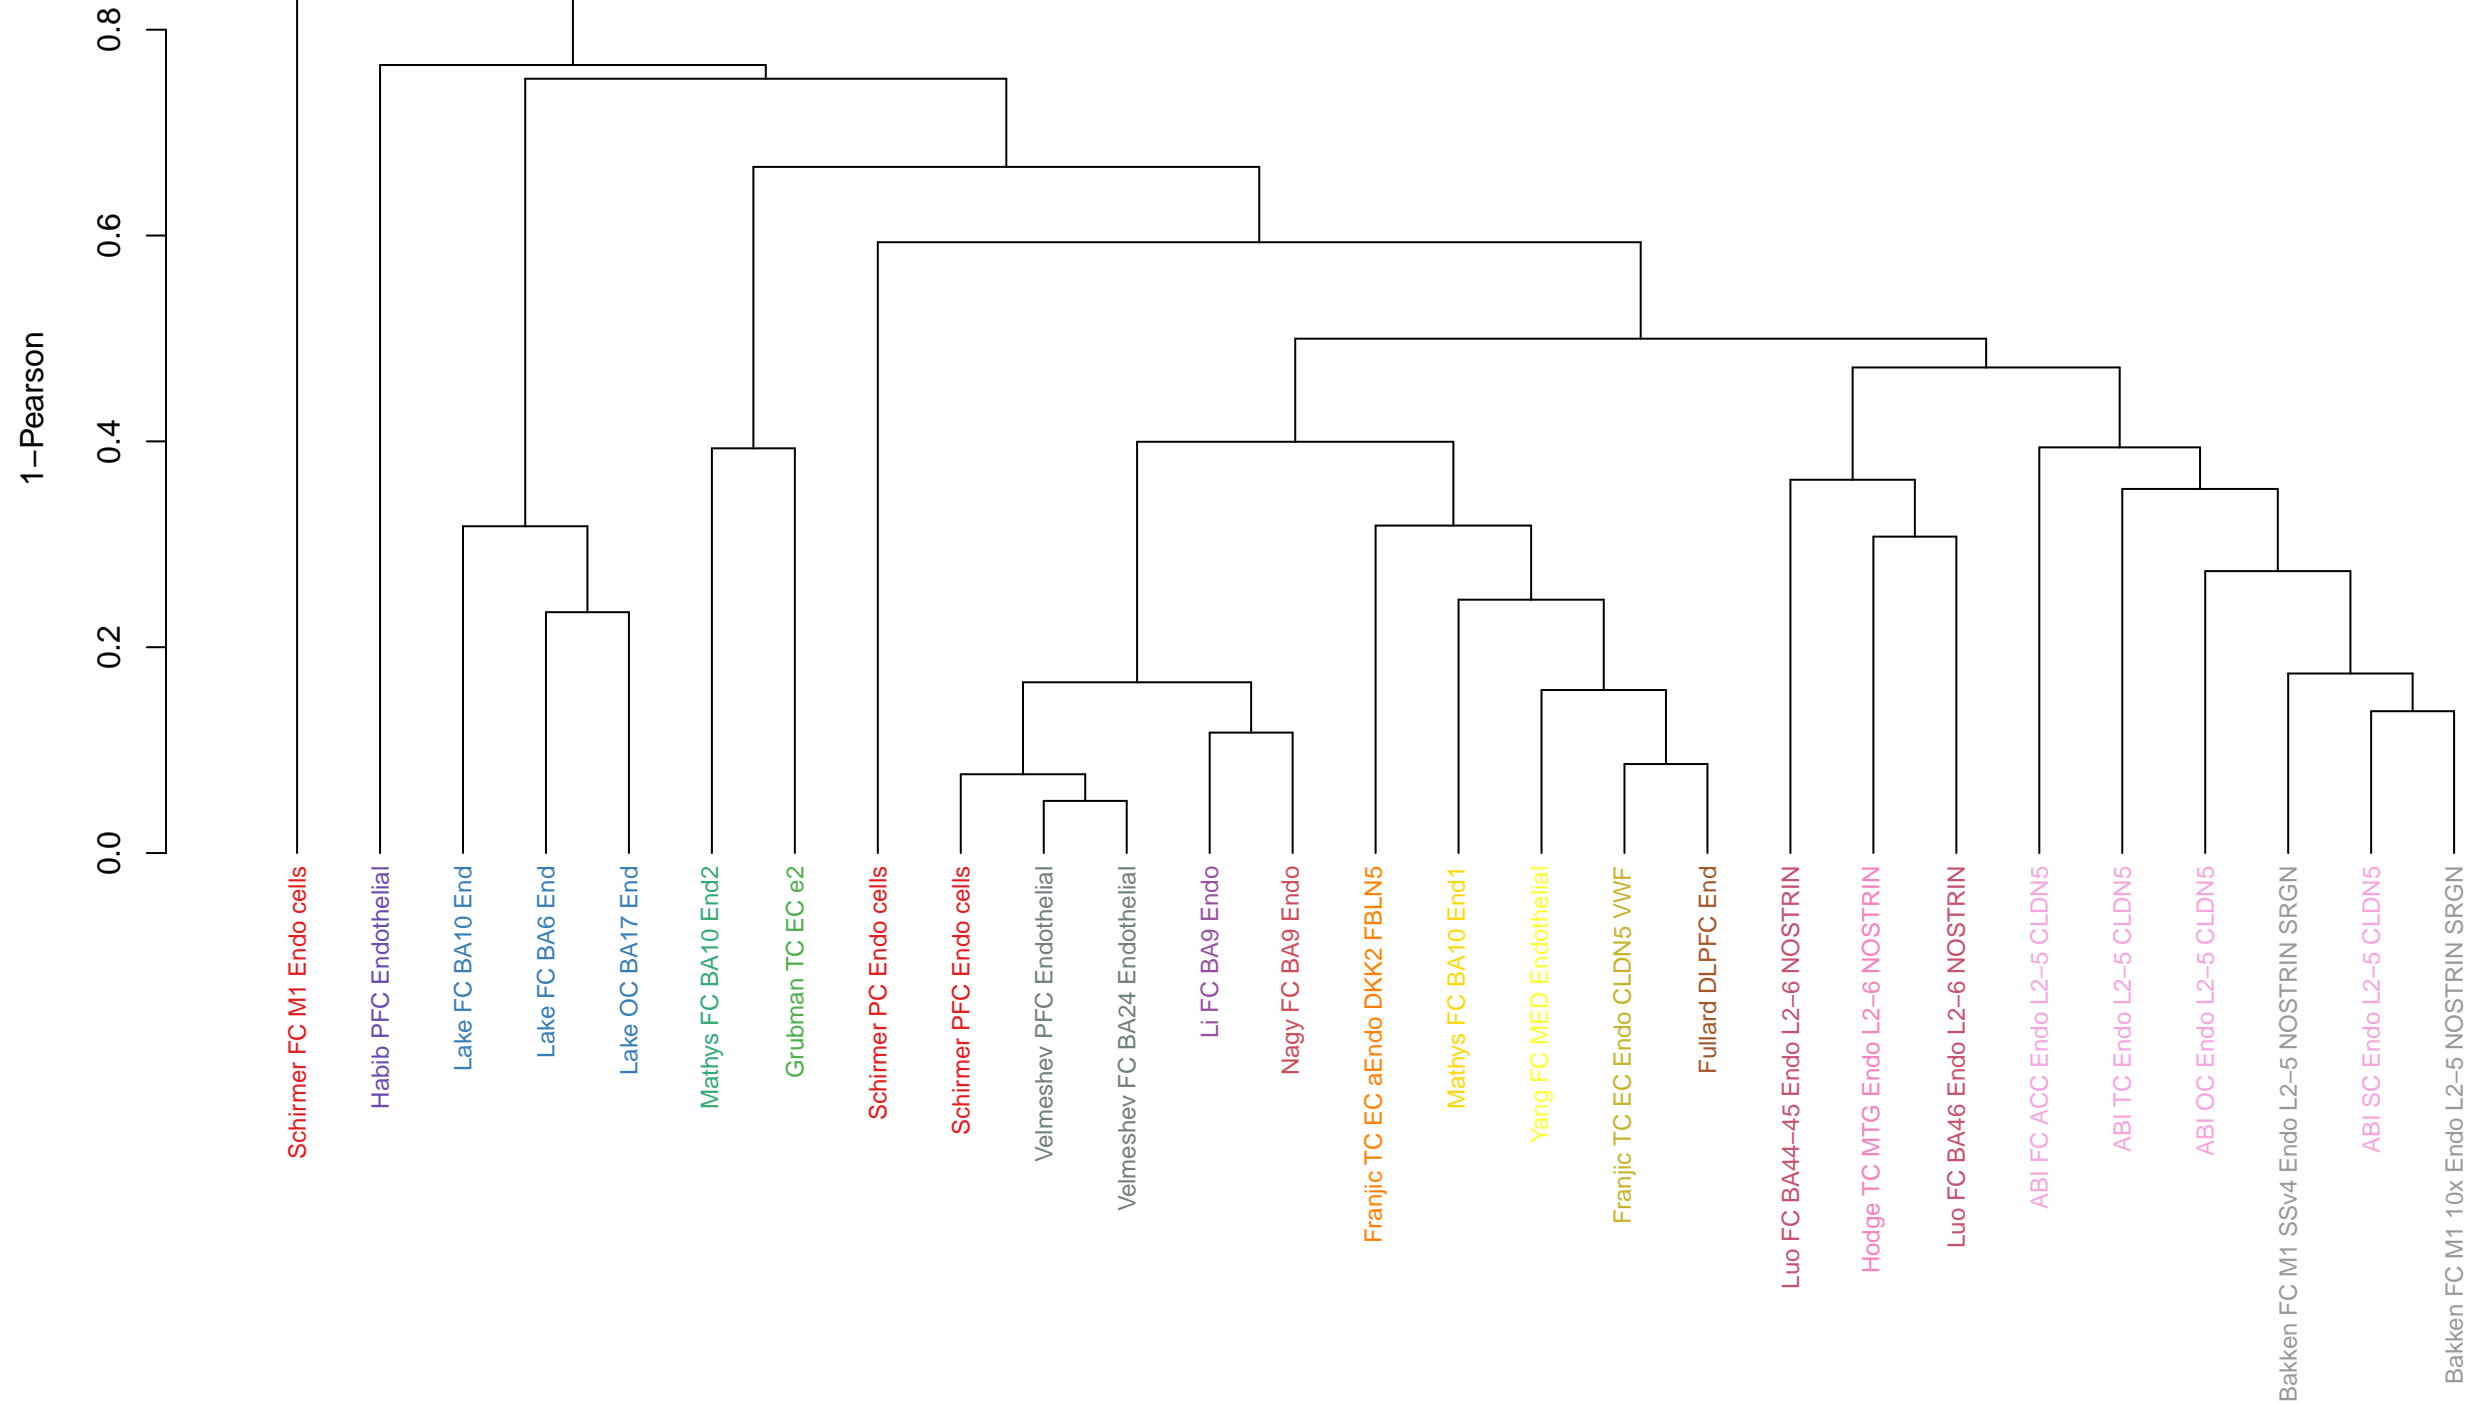

17 endothelial cell types found in 25 datasets from 15 studies  
8,722 protein coding genes

Endothelial Mean Expression Clustering

complete linkage

17 endothelial cell types found in 25 datasets from 15 studies  
8,722 protein coding genes
