

# Oligodendrocyte Proportional Fidelity Clustering

average linkage

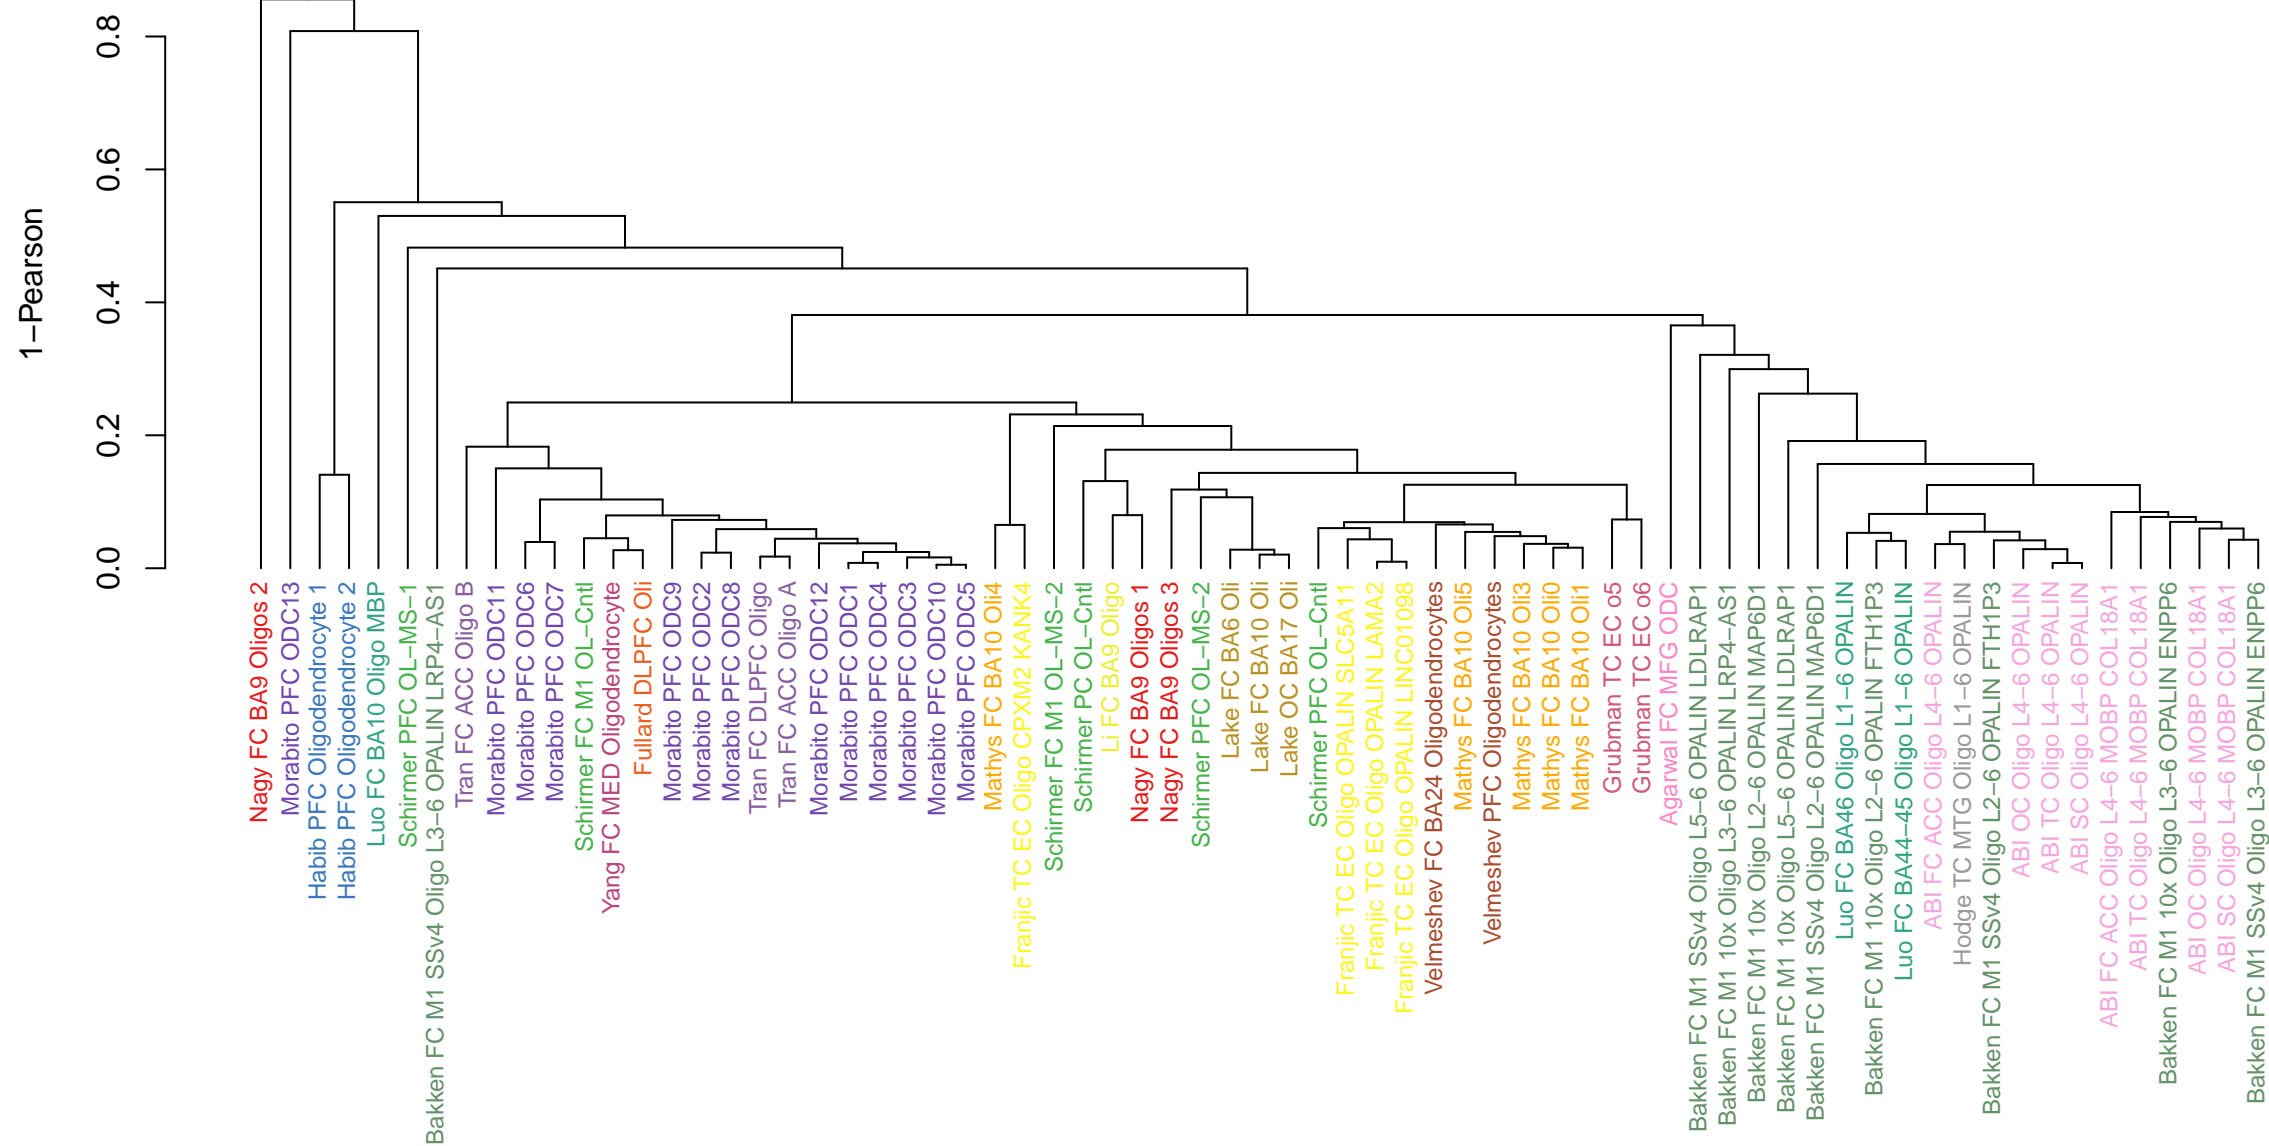

51 oligodendrocyte cell types found in 30 datasets from 18 studies

8,723 protein coding genes

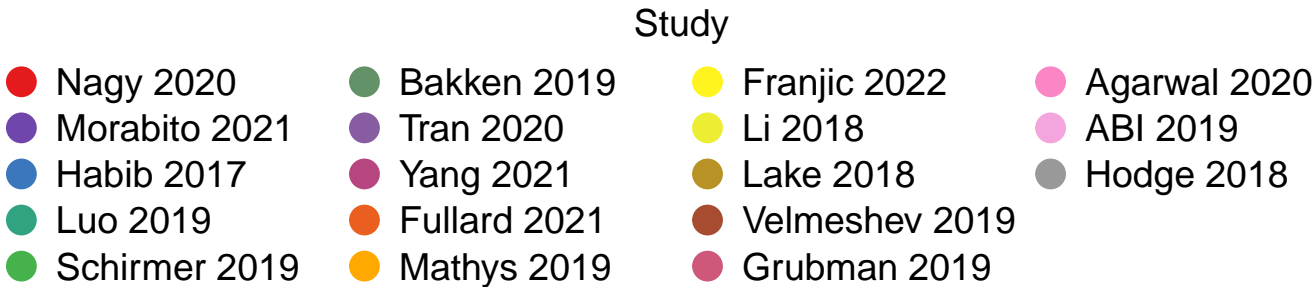

# Oligodendrocyte Proportional Fidelity Clustering

average linkage

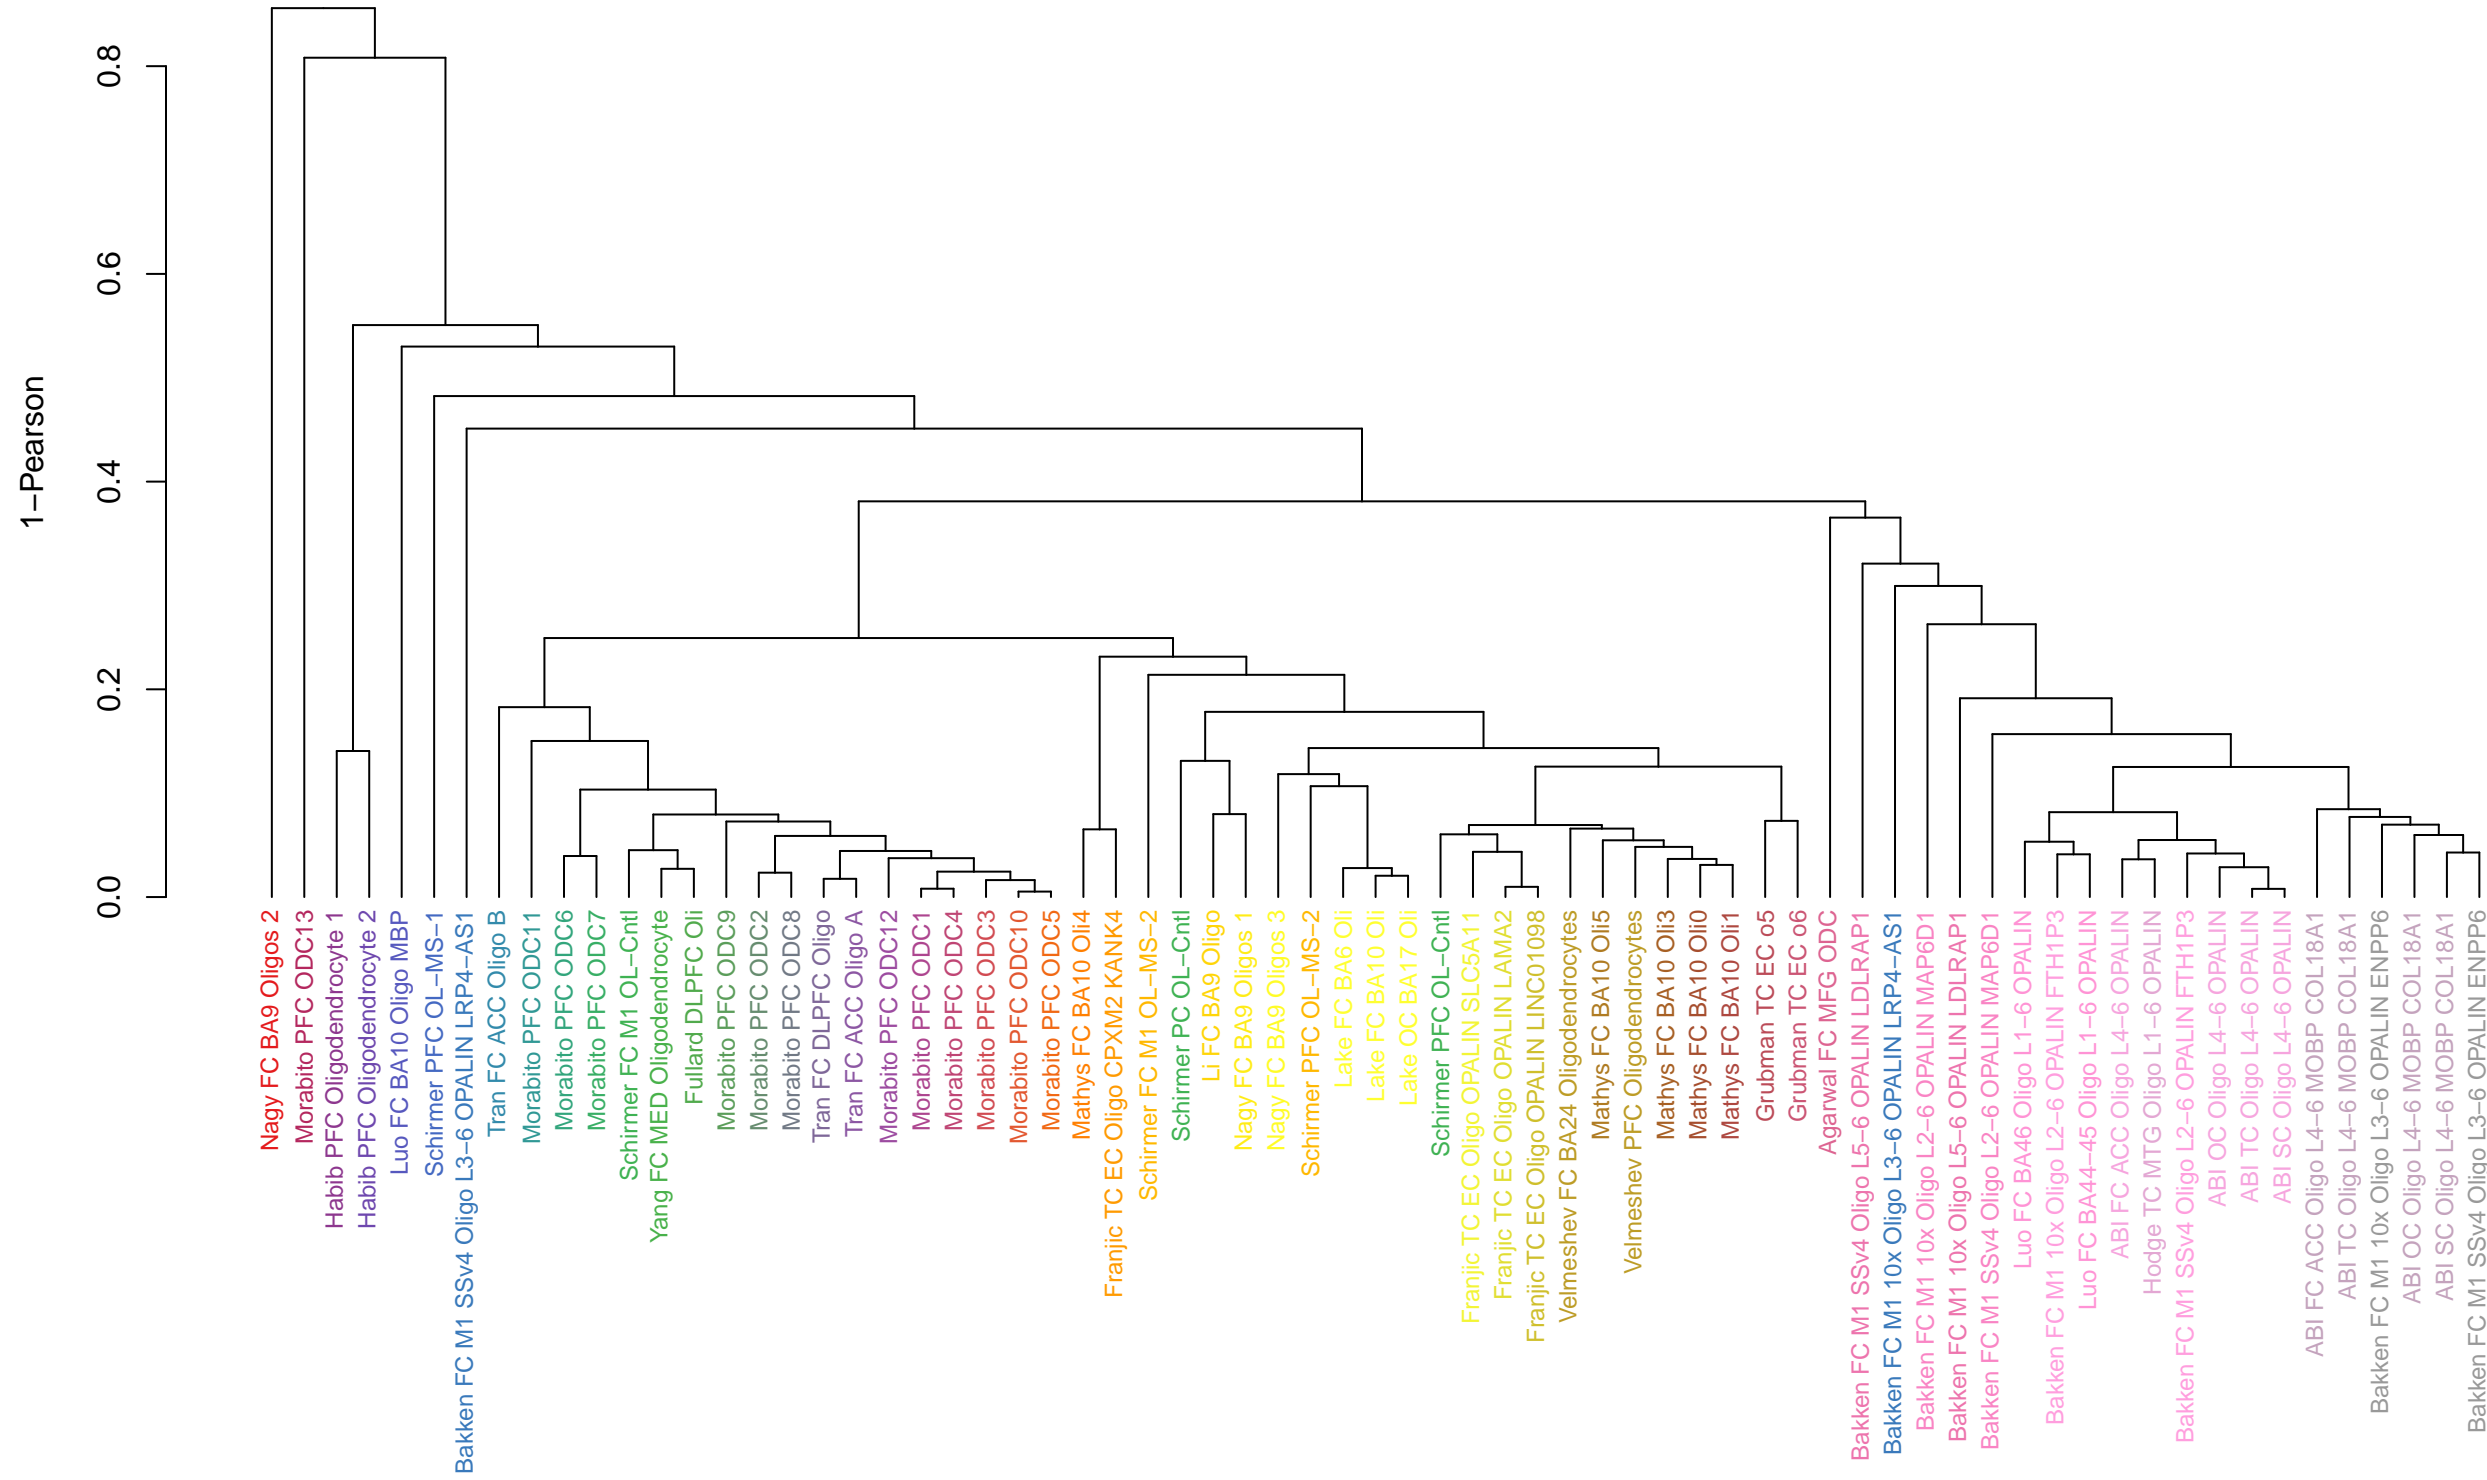

51 oligodendrocyte cell types found in 30 datasets from 18 studies

8,723 protein coding genes

# Oligodendrocyte Proportional Fidelity Clustering

average linkage

51 oligodendrocyte cell types found in 30 datasets from 18 studies  
8,723 protein coding genes
